

FIRST NATIONS AND COMMUNITY NEEDS AND CONCERNS RELATED TO TAILINGS RISKS

Panelists: Casey Cawston (Upper Similkameen Indian Band),
Doug Watt (Concerned Citizens of Quesnel Lake),
Erica Kabotoff (Citxw Nlaka'pamux Assembly)
Facilitator: Adrienne Berchtold (SkeenaWild Conservation Trust)

PANEL QUESTIONS

1. What concerns you most about the tailings facility(ies) near your community or on your traditional territory?
2. Is there sufficient information-sharing and engagement with Indigenous governments and affected communities about how physical and chemical tailings risks are managed? How could this be improved?
3. What would you like to see change regarding tailings design and closure/reclamation?
